

# MIB School of Management

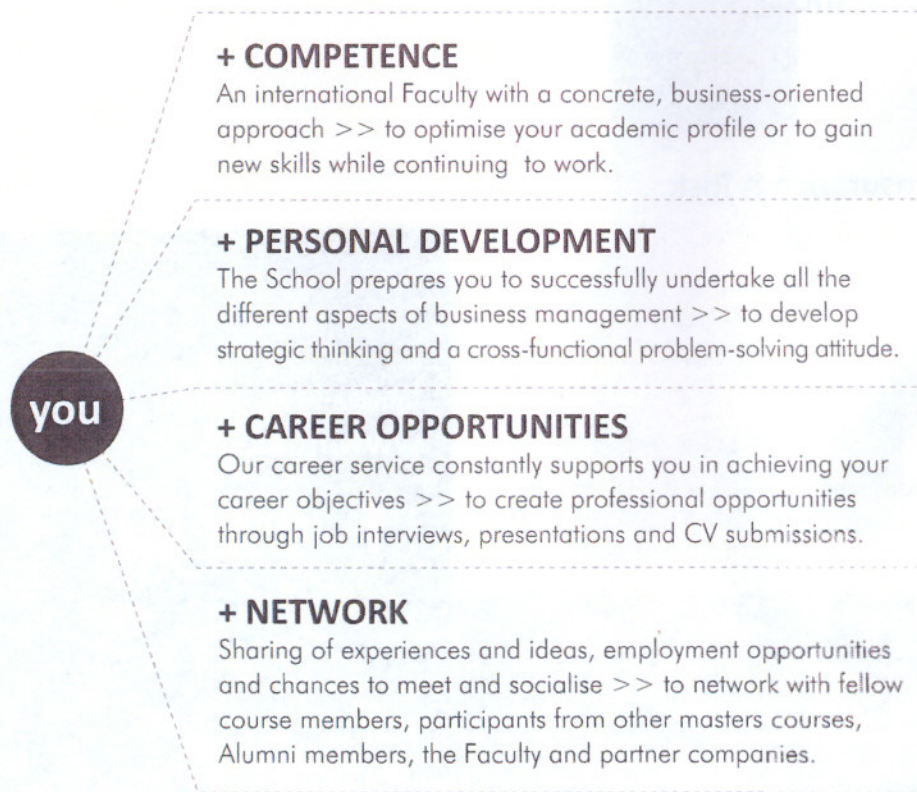

MIB School of Management is an international Business School founded in 1988 by high profile companies (including Generali, Allianz, illycaffè and Benetton) and the world of Academia.

The school offers MBA and specialist Masters courses taught in English to recent graduates, also those with professional experience, from over 65 different countries. MIB also offers Executive Programmes for entrepreneurs, managers and companies, aimed at promoting career development and widening the range of responsibilities and areas of business.

The school and its Masters courses have been ranked by leading Accreditation Bodies, Rating Agencies and recruitment companies that annually assess the best programmes in the world and vouch for their quality and marketability in the international job market.

In collaboration with companies the school creates individual training, research and consultancy programs. These partnerships offer companies the chance to recruit talented individuals and give the students great opportunities for employment.
