

The Ulam Programme – POSTDOCTORAL RESEARCH GRANTS IN POLAND

Are you looking for a research grant opportunities in Poland? Polish National Agency for Academic Exchange (NAWA) is pleased to announce new programme for incoming researchers: *The Ulam Programme*.

We would like to invite you to be a part of this unique and valuable experience which will help you to develop your career by intensifying international mobility as well as will allow you to establish scientific cooperation with excellent host institutions in Poland.

Who is entitled to file an application?

A proposal may be submitted only by a person who holds a doctoral degree.

What activities are covered by the Programme?

- conducting research and/or development work
- post-doctoral training
- obtaining materials for scientific work or publication
- conducting didactic classes at the host centre

Visits within the Programme can last from **6 to 24 months**. The Programme provides financing for a scholarship covering both the Beneficiary's allowance costs in relation to their stay at a host institution, in an amount of approx. 2400 EUR and a mobility allowance.

The call for proposals is open from 22nd January to 23rd April 2019.. NAWA uses an online application process. Further details will be provided at the NAWA website:
